

***RECYCLING NEWS-**

Drop off recycling has been made easier, you no longer need to separate the plastics, paper and cans. We are now Single Stream Recycling!! The acceptable items are the same, with all items listed below. Just a reminder, **NO plastic bags, NO glass and NO Styrofoam.** Please flatten cardboard boxes and plastic jugs.

Drop-Off Boxes — Acceptable Items

Recycling fun fact, every little bit makes a difference -

For example, one year of recycling on just one Campus, Stanford University, saved the equivalent of 33,913 trees and the need for 636 tons of iron ore, coal and limestone. **Amazing!!**
