City Hall Gym:

City Hall has a gym available for rental use for special occasions and events.

The gym is \$50.00 to rent and \$120.00 deposit.

PSN/SHUT OFF

If you happen to get your water shut-off when it's shut-off time, please do not go on PSN and pay. Please call City Hall and get your balance first because PSN will not have the correct amount to get turned back on and PSN does not notify us when a payment is made. So we will not know right away to turn you back on. So it is important for you to call in to City Hall or come in to pay your bill when you get shut-off to get turned back on. We just want to make sure that if you happen to get shut-off that we get you turned back on ASAP when the payment as been paid. Thank you for your cooperation in this matter. Also please do not put cash or medicine in the drop box!!!

Newsletter:

Reminder if anyone would like anything in the newsletter please let Crystal Parrott, City Clerk know by email or call her at the office (217) 794-2206. If it is appropriate and approved it will be put in the newlester.

Email-Water Bills

We have been encouranging everyone to get their water bills emailed to them. You can still have it mailed to you as well but this way, you have two ways of it getting to you. You can have it just mailed or emailed and mailed. Just let us know and we would be happy to set it up for you. Just call the office and Randi or Crystal can help you with this.

Happy Almost Spring Maroa!

As the weather turns, we all know we will have tons of youngsters out and about. Last year, the Police Department put a lot of effort in to requesting residents/guests to not park on or across sidewalks. This upcoming season I hope that everyone remembers, lets try to keep the kids on the sidewalks as much as possible.

Also in the avenue of safety, our School Resource Officer's just completed our portion of drivers education with the young, soon to be drivers at the high school. One of the points we have been trying to drive home to everyone is this. When you're attempting to get out on to Rt. 51, mainly from Wood and Washington, please please, if there is a car in the turning lane DO NOT turn out. Please wait the 5-10 seconds to allow your vision to no longer obstructed. We have had several personal injury accidents at those locations. Alderman West and the board are pushing the State of Illinois, however this is a little step we can take to try and mitigate some of those accidents.

The upcoming golf cart registration will be handled by Community Service Officer Chris Ware. We have the dates, times, and requirements posted on the city's website. As always though, if anyone has a question please feel free to reach out and ask.

Happy (almost) St. Patrick's Day!
Chief of Police - Bobby Fitzgerald

Building Permits & Related Information

In most cases, City permits are required to ensure compliance with building codes, property line setbacks, zoning regulations, and other state and local requirements. Please consider the following information BEFORE beginning any projects:

- Some common projects requiring permits include asphalt or concrete work, structure alterations and additions, new or replacement fencing, swimming pools, solar panels porches, patios and decks, roof repairs or replacement, storage sheds, construction of any new structure, and demolition of any existing structure. Always verify if your project requires a permit prior to beginning any work by contacting City Hall.
- Illinois law requires anyone contracting for roof repair or replacement work to be licensed by the Illinois Department of Financial and Professional Regulation. City permit petitions require contractors to provide necessary licensing information to help protect businesses, homeowners, and neighbors.
- Some projects may require a variance or special use permit to be compliant with the City Code. After a public hearing with the Planning and Zoning Board, a recommendation is submitted to the Maroa City Council for consideration and authorization by ordinance. If the variance or special use is approved, permits can be issued. Due to state regulations regarding publication of notice, this process generally takes 30 to 60 days to complete.
- Many projects require property line markers to be located and exposed for setback verification. If property line markers cannot be located, you must have the parcel surveyed prior to receiving a permit.
- Fillable PDF petitions for permits are available at maroaininois.gov and paper copies are available at City Hall. The petition for a permit must be completed in entirety (including all requested information) and submitted to City Hall for verification and approval. A certificate will only be issued after the petition is approved and associated fees are paid. Work on the project can only begin once a certificate is issued and posted.
- You are required by state law to contact J.U.L.I.E (dial 811) for locating services before proceeding with any excavation. This includes hand digging at any depth. The individual performing the digging MUST be the one to submit a J.U.L.I.E ticket.
- Failure to obtain a building permit prior to work being performed will result in doubled fees, processing delays, and possible fines.
- If you have any questions, please contact City Hall at 217-794-2206.

Happy
Easter
to everyone

PRE-K SCREENING

MAROA -FORSYTH GRADE SCHOOL

April 10th & 11th

Maroa Community Building Update

The Maroa Township has recently appointed three new Community Board trustees.

Listed below are the board members names and email addresses:

General Email - Maroacommunitybldg@gmail.com

Randi Amettis – R.Amettis.MCB@gmail.com

Stephanie Helphrey – S.Helphrey.MCB@gmail.com

Ely Cunningham – E.Cunningham.MCB@gmail.com

Community Building Phone: 217-794-5114

*Emails checked daily - Phone messages checked weekly
(Email is the best way to get a fast reply)

Please reach out if you are interested in renting the community center for an event.

The new board members are eager to hear from you. With their dedication and passion for our community, they hope the community building will be a space that serves and benefits everyone. They welcome community input on how the building can best be used to meet the needs and interests of Maroa residents. If you have ideas or suggestions, please don't hesitate to reach out and share them.
