

City Administrator Report

Ted L. Agee

11/19/2018

Audit History Analysis: I have been compiling audit data for the last five years and plan to have a preliminary draft for council at the December meeting.

Crawford's/TLC Coffee House Façade Grant: Signs for both businesses have been installed. Following proof of payment from the businesses, final requests for release of funds will be submitted to Council.

Old Township Building: The bid from American Street Dreams was accepted by the Township Board for the sale of the old buildings/lot on Walnut Street. Their plan is to use the location to construct a formal showroom for their business.
