## HIRING OF NEW FULLTIME OFFICER OR HIRING 2 PART-TIME OFFICERS:

Chief Gaddy purposed that the City could Hire 1 Fulltime Officers instead of Hiring 2 Part-time Officer. By Hiring a Fulltime Officer, the City Police Department could save on Overtime costs and would not need to deal with Shifts not being covered or having to cover an open shift.

Could move money from Line Item on Budget marked for Part-time Officer Salaries / Part-time Officers Overtime Line Items to help pay Salary of the New Fulltime Officer till New Budget is past to reflect 4 Fulltime Officers.

Police Board agreed with Hiring 1 Fulltime Officer / Part-time Officer Position if needed and to post an Ad for New Officers Job Applications.

Meeting Ended @ 6:27pm.
